Rental Terms and Conditions

"You pay for time out not time used."

Rental Contract:

Upon Pickup or delivery of rented items rentor should inspect items and count items prior to signing the rental contract. By signing the rental agreement the customer agrees that all items are present and in good condition. Upon closer inspection if an item malfunctions notify us immediately and a replacement will be pulled.

Rental Terms:

All charges are for time out, whether used or not. We consider our rentals to be 48 hours (72 in the case of Friday - Monday). If an earlier pickup or later drop off is requested a 25% pickup or late charge will be added to your order each day.

Reserving Equipment:

Equipment will be reserved upon receipt of a signed rental contract and a non-refundable deposit. The required deposit is 50% of all charges. Equipment availability is on a first come first serve basis. We recommend reserving equipment well in advance as some items are of limited quantity.

Payment Terms:

The full balance of your order is due 14 days prior to your event. We accept Master Card, Visa, Discover, Check or Cash.

Rental Item Condition

Everything must be returned in the condition in which it was upon receipt. Items need to be rinsed and free of food or decorations and kept dry to prevent staining and mildew. Linens should be shaken and free of food. A service charge will incur for items that are not rinsed or free of food.

Delivery Service:

There is a charge for deliveries and pickups. Deliveries will be made to a mutually convenient location. Please return items at the **same location** for pickup where they were delivered. Extra charges will be incurred for elevators, steps, areas not easily accessible and excessive time involved. If a customer requires an exact delivery and pickup time additional service charges will be made. A renter can either contract for Delivery/Drop Off or Delivery/Setup as well as Pick up/Stacked Return or Pick up/Breakdown. A breakdown fee will be applied to the account or Credit Card on file if our crew is required to do any breakdown or if equipment is scattered and not returned to the pickup location.

Loss or Damage

We allow a 48 hour rental period to give our customers a 24 hour grace period to check the accuracy of their order. As stated earlier the renter should count the equipment at the time of the pickup or delivery and report any shortages or damages immediately. Your signature at pickup or delivery signifies that you are responsible for checking equipment and notifying us within 24 hours of delivery or pickup. The customer will be charged for missing, broken and damaged items, including linens burned or ruined by stain or candle wax.
